

## **2020 Notice to Bidders Jennings County, Indiana**

Notice is hereby given that the Board of Commissioners of Jennings County, Indiana will receive sealed bids until 4:00 pm local time on Thursday, November 14, 2019 at the Jennings County Auditors Office, Government Center, Vernon, IN 47282. Bids may also be delivered to the Jennings County Board of Commissioners prior to the regular meeting at 6:30 pm on said date and location. Delivered bids must be received and time stamped prior to 6:30 pm in order to be accepted.

Annual bids will be received for the following materials, supplies, and/or services:

Diesel Fuel and Gasoline – Bulk Delivered to County  
Crushed Aggregates, Sand, Deicer Sand – FOB Plant Pickup  
Crushed Aggregates, Sand, Deicer Sand – Delivered to County  
Hot/Cold Mix Asphalt – FOB Plant Pickup  
Liquid Asphalt  
Culvert Pipes

The Board of Commissioners reserves the right to reject any and all bids and/or to waive any informalities in the bidding and to accept bids as it deems to be in the best interest of the County. Each bid must be accompanied by a sufficient Contractor's Bid Bond or Certified Check in an amount not less than ten (10%) percent of the bid of which will be forfeited should the bidder fail to enter into a contract.

All bids, unless otherwise specified, shall be considered a firm bid for the entire contract period (Jan. 1 to Dec. 31, 2020). Bids shall be submitted on the prescribed forms with Form 95 and Non-Collusion Affidavit. Bids may be held for a period of up to 30 days prior to award by the Board of Commissioners.

The Board of County Commissioners retains the right to negotiate with any and all bidders, after bids are submitted, should all bids exceed the amount of funds appropriated by the County for said services or materials.

Specifications are on file at the Jennings County Highway Department.

Date: October 10, 2019

**If bids are acceptable, the Board of Commissioners will award to one or more supplier. Materials may be purchased (per bid price) from any of the accepted bidders based on availability of product or other factors as determined by the Owner to be in the best interest of Jennings County.**

**Bids shall be submitted on forms prescribed by the State Board of Accounts (Department of Local Government Finance), including Form 95, Non Collusion Affidavit, Proof of Liability Insurance, 10% Bid Bond, and detailed unit price for each type or grade of fuel.**

**Prices bid shall include all materials, equipment, labor, taxes, etc. to process the materials and to be delivered to the County Highway Garage, or any other County storage tanks, as determined by the Owner per order with no additional add-on fees or delivery charges.**

**ALL products shall meet the minimum Federal, INDOT 2020 Material specifications, or as specified by the County.**

**The Board of Commissioners reserves the right to reject any or all bid proposals and to waive any and all informalities.**

**The Board of County Commissioners retains the right to negotiate with any and all bidders after bids are submitted, should all bids exceed the amount appropriated by the County for said materials or services.**

**Unit prices (per gallon) shall be furnished to County for any or all of the following fuels:**

- 1). Gasoline: Regular lead free (87 octane minimum) – bulk delivery to tank upon request, 200 gallon minimum delivery. Applicable taxes to be included in bid price (specify total amount of taxes).**
- 2). Diesel Fuel (Ultra low sulfur, 15 ppm): On Road Diesel Fuel: (Premium 45-50 cetane minimum). ASTM D-975. Applicable taxes to be included in bid price (specify total amount of taxes).**
- 3). Diesel Fuel: Off Road Diesel Fuel:**

(Premium 45-50 cetane minimum). ASTM D-975. Applicable taxes to be included in bid price (specify total amount of taxes).

Winter blended fuels shall be provided in season from Nov. 15<sup>th</sup> to March 15<sup>th</sup>, or when cold weather requires.

Diesel fuels may be supplied as diesel or Soy diesel B5 (or blended combinations for winter season) in accordance with above Premium grade requirements.

Owner reserves the right to field test fuels upon delivery and reject any items not meeting County and Federal Specifications.

**ESCALATION – DEESCALATION CLAUSE:** Bidders shall have the right to increase (or decrease) the contract unit price in an amount equal to the bidder's increase or decrease in costs of materials and supplies occurring subsequent to the date on which such bid is awarded (hereinafter referred to as "base date") to the Board. Any increase or decrease in the bidder's cost of materials and supplies after the base date shall be verified by proper documents furnished to the Board. Documentation shall include proof of price to bidder from bidder's source of supply. Any increase or decrease unit price, approved per the above, will be considered the bidder's current unit base price. For each purchase of fuels, the County shall use the current unit price of ALL accepted bidders in determination of the appropriate supplier and cost.

Price adjustments may be increased or decreased based on the rack price per gallon for the day of delivery of fuel. Proof of increase or decrease shall be included with all invoices.

**JENNINGS COUNTY, INDIANA**  
**REQUEST FOR ANNUAL BIDS (2020)**  
**CULVERT PIPE**

**ALL bids must conform to the following conditions and Specifications, prices bid shall be based on current cost as of November 14, 2019.**

**If bids are acceptable, the Board of Commissioners will award to one or more supplier. Materials may be purchased (per bid price) from any of the accepted bidders based on availability of product or other factors as determined by the Owner to be in the best interest of Jennings County.**

**Pipe materials shall be used in the construction, repair, and/or maintenance of the county roads as funded by Motor Vehicle Highway (MVH), Local Road and Street (LRS), or Cumulative Bridge (Bridge "O") funds through the Jennings County Highway Department and approved by the Board of Commissioners and/or County Engineer.**

**Bids shall be submitted on forms prescribed by the State Board of Accounts (Department of Local Government Finance), including Form 95, Non Collusion Affidavit, Proof of Liability Insurance, and detailed unit price sheets for each class or type of culvert pipe or drainage structure.**

**Prices bid shall include all materials to be delivered to the County Highway Garage or direct shipment to jobsite(s), or loaded onto County Highway trucks if pick up at supplier yard, as determined by the Owner per project with no additional add-on fees or charges.**

**ALL products shall meet the minimum material specifications per the 2020 Indiana Department of Transportation Standard Specifications, ASTM, or as specified by the County Engineer.**

**The Board of Commissioners reserves the right to reject any or all bid proposals and to waive any and all informalities.**

**The Board of County Commissioners retains the right to negotiate with any and all bidders after bids are submitted, should all bids exceed the amount appropriated by the County for said materials or services.**

Unit prices (per foot) shall be furnished to County for any or all of the following materials:

- 1). Corrugated Metal Culvert Pipe or Pipe Arches (Galvanized, Aluminized Type II Steel, Polymer Coated, or Aluminum):
- 2). Structural Plate Pipe or Pipe Arches (Galvanized, Aluminized Type II Steel, or Aluminum):
- 3). Box Culverts (Concrete, Galvanized, Aluminized Type II Steel, or Aluminum):
- 4). High Density Polyethylene Pipe (HDPE):
- 5). Concrete Pipe (non reinforced or reinforced):
- 6). Smooth Wall HP Polypropylene Pipe (12 to 60 inch diameter):
- 7). Drainage Tile (4 inch to 12 inch diameter):

See reference specifications in the 2020 INDOT Standard Specifications: Section 715, 717, 719, 720, 721, and 725 for additional details.

Corrugated metal pipes and pipe arches shall be priced for 12 inch through 72 inch diameter, 17" x 13" through 112" x 75", in the appropriate gauge thickness specified (16 ga. through 10 ga.), 2-2/3" x 1/2", 3" x 1", and 5" x 1" corrugations. Standard lengths for small diameter pipe is 20 ft. to 30 ft., lengths for larger culverts and other structures as determined per each location (typically 40 ft. minimum length, one piece construction). The standard gage for pipes over 18 inch in diameter is 14 gage minimum.

Material certifications and lab tests shall be furnished by manufacturer upon request from Owner. Owner reserves the right to field test materials upon delivery and reject any items not meeting Specifications.

Other sizes, gages, and products may be purchased as the need arises at the discretion of the Owner and County Engineer per project specific quotes.

**ALTERNATE:** Suppliers may include a separate price or bulk discount for "truck load" delivery of materials, in addition to standard individual culvert pipe prices. No other restrictions shall be allowable.

**ESCALATION – DEESCALATION CLAUSE:** Bidders shall have the right to increase (or decrease) the contract unit price in an amount equal to the bidder's increase or decrease in costs of materials and supplies occurring subsequent to the date on which such bid is submitted (hereinafter referred to as "base date") to the Board. Any increase or decrease in the bidder's cost of materials and supplies after the base date shall be verified by proper documents furnished to the Board. Documentation shall include proof of price to bidder from bidder's source of supply. Any increase or decrease unit price, approved per the above, will be considered the bidder's current unit base price. For each purchase of materials, the County shall use the current unit price of ALL bidders in determination of the appropriate supplier and cost. Request for price changes may not be submitted more than once per month (1<sup>st</sup> of month for that month).
